# Crawl / Walk / Run

Turning strategy into action

18F

* be ambitious, don't worry about practicality for now
* bullet points are okay

**In 100 years**, what will [project] be like?

In 15 years, what will [project] be like? What will get us towards that 100 year dream?

In 100 years...

In 5 years, what will [project] be like? What will get us started down this path?

In 15 years...

In 100 years...

In 5 years, what will [project] be like? What will get us started down this path?

In 15 years, what will [project] be like? What will get us towards that 100 year dream?

In 100 years, what will [project] be like?

Single statements:
- **100 years:**
- **15 years:**
- **5 years:**
